

From the Chair

In response to a changed world of learning for students and teachers in the Limestone District School Board the LLF is pleased to announce an amendment to the Foundation's Strategic Plan. It is one that will allow the Foundation to support excellence in education through innovative methods. Adding "Health and Wellness" to the Areas of Impact - Literacy & Numeracy, Science & the Environment, Technology Visual Arts & Music, strengthens the three pillars of Mentorship, Sustainability and Pay it Forward for which the LLF is well known.

The LLF vision is to inspire excellence in education by supporting school and classroom initiatives, not funded by the Provincial government - those that demonstrate creativity, innovation, empowerment, equity and inclusion. With this amendment, the Foundation expands its ability to offer an even wider expanse of needs - needs that are, as a result of the unforeseen circumstances of the COVID-19 pandemic changes, "essential" to the well-being and health of LDSB students. At this time, the LLF is proud to align itself with the Food Sharing Project.

The Food Sharing Project is a registered non-profit charity that has been providing healthy food to schools for almost 40 years. Every week during the school year, the FSP delivers six tons of food to 88 schools across KFL&A. The fresh and nutritious food supports school nutrition programs. Nourished students learn better.

Under the COVID-19 pandemic situation, the FSP has changed its model to home delivery for students in need. The LLF Board members are among the number of volunteers who deliver up to 400 food boxes and gift certificates weekly.

The Limestone Learning Foundation recently provided the FSP with 8 commercial kitchen stainless steel tables and 8 anti-fatigue floor mats, that now allow volunteers to organize and pack the food boxes without excess physical strain. Please see www.foodsharingproject.org for further information.

Adieu!

As a strong and committed member of the Limestone Learning Foundation for five years, Director of Education for the Limestone District School Board, Debra Rantz is retiring from the Board of Directors. We wish her a wonderful new chapter in life and thank her for her time and effort on behalf of the Foundation.

Katherine C. Leverette
Chair, LLF Board of Directors

Sandra Davison Golf Classic - Postponed

In consideration of the safety, health and wellness of our Sandra Davison Golf Classic participants, friends and supporters, the LLF has made the difficult decision to postpone this traditional event until the spring of 2021. Please watch for our new date.

We wish to thank all sponsors and participants who were looking forward to this event, especially our presenting sponsor [Johnson Inc. Insurance](#) and major sponsor Loyalist Golf and Country Club. As an integral part of the fundraising events offered by the LLF, the traditional golf event remains a top priority.

Your financial support as a player, sponsor and/or donor, supports school and classroom initiatives that demonstrate creativity, innovation, empowerment, equity & inclusion and ensures that an increasing range of educational opportunities will continue to be available for all LDSB students. We appreciate your past and future commitment to benefit our community and our students.

If you are in a position to do so, we ask if you would like to donate back to the Limestone Learning Foundation (for a tax receipt).

Announcement

LLF is pleased to announce that Adam Young will take over the position of Chair of the Board. Adam has been an effective and passionate Board Member for a number of years and has, as a Foundation supporter, the valued view that LDSB students and teachers deserve the utmost support to ensure "Excellence in Education" and its long-term positive results for all.

Adam is a partner at Secker Ross & Perry LLP, a locally owned and managed public accounting firm. He holds a Bachelor of Business Administration degree from Wilfrid Laurier University, and is a member of the Chartered Professional Accountants of Ontario. In addition to volunteer work with various organizations in the area, Adam enjoys spending time outside with his spouse and two children, both of whom are starting their educational journeys in the LDSB.

Congratulations, Susan!

Long standing LLF Board Member and past chair, Susan Creasy has been awarded the [First Capital Distinguished Citizen Award](#) from The City of Kingston for her dedication and commitment to her City and community.

Cheers and congratulations to Sue! Your LLF directors and friends are proud of your ongoing accomplishments and stand with you in contributing to the future health and welfare of all citizens.
