The Sandra Davison Golf Classic is a fantastic opportunity to bring a golf team and join us for a fun filled day! Organized through the Limestone Learning Foundation, all proceeds help provide unique learning opportunities for elementary and secondary students of all ages within the Kingston, Napanee, North-South-Central Frontenac areas within the Limestone District School Board. Check out our [LLF Learning Opportunities](#).

EARLY BIRD DRAW - We have Box Seats for 8 to a Kingston Frontenacs Hockey game as an early bird prize and all information can be found within the link below. **EVEN IF YOU DO NOT GOLF**, we need your help with SPONSORSHIPS (list below), FINANCIAL DONATIONS or ACUTION ITEMS. Please **submit any area(s) of support through the link below** and as indicated within, your name will be entered into the early bird draw if **submissions are received on or before February 20th**.

Our success is due to corporate friends like many of you, who are returning partners or new to join us this year. Year after year all participants and sponsors of our “fundraising” golf tournament are vital to the Foundation, and what better cause than helping our students learn in new and exciting ways!

On behalf of the students who benefit from your support, thank you in advance for contributing to the LLF vision...**“Investing Together in Limestone Students’ Future.”**

Sincerely,

**Adam Young, Chair
LLF Board of Directors**

Investing Together in Our Students’ Future

Funding projects in Literacy & Numeracy, Science & Environmental, Visual Arts & Music, Health & Wellness, and Technology; not otherwise funded by the Ontario Ministry of Education. To date, more than \$2 million has been granted to over 650 projects in schools and education centres throughout the Limestone District.

Charitable Registration #

With the future in mind, the LLF has established a permanent Endowment Fund for In Memoriam gifts, bequests, annuities and other planned giving options to ensure the long-term continuity, stability, and sustainability of the Foundation's work.

What We Do

Support schools and district-wide initiatives with funding to enhance current programming or create new and innovative opportunities for student learning.
